

Volunteer Application Form

It is the purpose of MASEA to:

- Improve the professional services provided by professionals who assist post-secondary students in securing employment
- Inform members of trends in employment
- Develop and encourage communication among student employment professionals and this Association
- Effectively serve the interests and needs of students who seek employment
- Facilitate communication between educational institutions and employers of students
- Offer an annual conference, and other professional activities, which will serve as a forum to discuss current issues and problems, and the future of student employment programs
- Serve as a resource for individuals or groups interested in regional and state student employment practices and issues

The volunteers in our organization have made us what we are! MASEA relies on the talents and commitments of our membership to complete its mission. In turn, we offer opportunities for professional growth and development that compliment and enhance your current professional career. If you are interested in contributing to MASEA, no matter how much or how little time you have, please complete this form, check the areas below that you have an interest in, and mail or fax as indicated below, and we will get back to you to discuss your areas of interest in more detail.

Please refer to our website, which may be found at www.masea.org for further details regarding the duties of the position, or contact Barb Fahnhorst, MASEA President, at bfahnhorst@csbsju.edu or 320-363-2186.
