Dear MASEA Member,

It is my sincerest pleasure to welcome you and thank you for joining MASEA – the Midwest Association of Student Employment Administrators. Our mission is to empower, engage, and support you and fellow student employment administrators.

This is an exciting year for MASEA as we celebrate 55 years of being a leader and pioneer in the field of student employment! Bridging multiple disciplines from career services, financial aid, payroll, human resources, student affairs, graduate assistantship offices, and centralized student employment offices in 14 Midwest states in our region, we are excited to have you join this resourceful network of professionals. Our members work collaboratively to improve upon and enrich student employment experiences in post-secondary institutions. MASEA offers resources and support through professional development, conferences, training, and recognition programs.

We look forward to serving you and as a head start on your professional development, we hope to see you at our upcoming Student Employment Essentials (SEE) Trainings and annual conference at Missouri State University in the beautiful city of Springfield, Missouri in June 2017. More information to come as it approaches.

I invite you to visit and “like” our MASEA page on Facebook, join the MASEA LinkedIn group to connect to other colleagues and to build your network. Your feedback, suggestions, recommendations, ideas, and questions are always an important part of the feedback loop and are encouraged and welcomed. Certainly feel free to reach out to myself or any MASEA board member. I believe you will quickly realize we are a dedicated, close-knit, and supportive family comprised of remarkably caring and forward-thinking people.

Your partner in Student Employment Administration,

Eric Wordlow
