Dear MASEA Member,

Welcome and thank you for joining MASEA – the Midwest Association of Student Employment Administrators. Our mission is to empower, engage, and support you and fellow student employment administrators.

MASEA is your network of student employment professionals spanning multiple disciplines, from centralized student employment offices to career services, financial aid, payroll, human resources, and student affairs. From across 14 states in the Midwest region, MASEA members work collectively to develop and enhance employment opportunities for students enrolled in post-secondary institutions and we are thrilled to have you as part of this community and journey.

MASEA supports you and your institution to realize this potential through training, conferences, professional development, recognition programs, and relationships to move you and your career forward.

We look forward to serving you this year and having you join us in person at the MASEA Regional/National Student Employment Association (NSEA) National Conference, which we are co-hosting in Milwaukee, WI this October 17-18. We will have a pre-conference SEE training as well, so stay tuned for more information.

I invite you to visit and “like” our MASEA page on Facebook, join the MASEA LinkedIn group to connect to other colleagues and to build your network. Your feedback, suggestions, recommendations, ideas, and questions are always an important part of the feedback loop and are encouraged and welcomed. Certainly feel free to reach out to myself or any MASEA board member. I believe you will quickly realize we are a dedicated, close-knit, and supportive family comprised of remarkably caring and forward-thinking people.

Your partner in Student Employment Administration,

Eric Wordlow

MASEA President and your MASEA Board of Director
