

Student Employment Supervisor of the Year

Sponsored by the Midwest Association of Student Employment Administrators (MASEA)

Student employees or colleagues may nominate supervisors who work with student employees whom they feel warrant particular recognition for their performance on the job. The Student Employment Supervisor of the Year (SESOTY) Award Program begins at the institutional level and moves on to regional recognition. MASEA looks to student employees and supervisor's colleagues at colleges and universities across the region to make nominations.

Please complete and submit the following form. Please describe the accomplishments of the nominee which you feel qualify him/her to be considered for Student Employment Supervisor of the Year recognition. Your letter of nomination must be limited to two pages.

Nominations will be judged on the following characteristics: **mentoring**, **professionalism** and **leadership** provided to the student employee. Please include:

- The nominee's greatest attributes, as they relate to their supervision.
- How the nominee has gone above and beyond the standard work expectations as a supervisor.
- The quality of the nominee's work and work style.
- The nominee's leadership skills, initiative, and motivation.
- The impact the nominee has had on your student employees.
- The qualities of the nominee that set him/her apart from other student employment supervisors.

In order to be eligible for consideration, the nominee must be a full time or part time staff/faculty employee of the nominating college or university who has an active MASEA membership.

Please note that additional materials will not be considered. The information you provide may be shared with the public through press releases and other promotional opportunities.
